Oinaka for choosing VOMO as your festive island home.

It is our joy and privilege to create moments that celebrate the best of this season — and the beauty of this cherished island oasis.

Our festive season begins with light, laughter, and belonging. From the glow of the flame tree to the ethereal sounds of the choir, the island transforms into a sanctuary of celebration — where every day drifts to its own joyful rhythm.

Gather beneath the island stars for carols and cocktails, savour flavours of the world shared in barefoot elegance, and join in traditions that flow from culture to connection.

From the first festive toast of December to the fireworks that greet a new year, every moment is designed to honour VOMO's unique way of life — thoughtful luxury, joyful living, and freedom in every moment.

'Tis indeed the season to be free. Enjoy.
